Upon Alone to Protect Our Rights." New Haven, Conn., Dec. 6 .- A copy f the letter prepared by a commit tee of the Connecticut Society, Sons of the American Revolution, recently, and sent to President Wilson on the subject of preparedness, was made public today. In part the letter says:
"The spirit and wisdom of the founders of our government directed towards the problems which confronted them at the birth of this nation, is particularly desirable in the present world crisis. Lives and property have world crisis. Lives and property have been expended to maintain our nation-al integrity, but who can doubt the propriety of the cost.

"The recent experience of peaceful peoples has demonstrated that kind-

rights. * * * We believe that the welfare of the whole country demands that our federal authorities and representatives make suitable preparations at this time to guard the evils which others are sure to beset it."

entitling him not to be received by the public and powers of the various states of Europe. He merits special watching for he is possessed of extraordinary originality of mind and can always become dangerous."

DEMOCRATS FROM TEXAS WORKING FOR CONVENTION One Hundred of Them in Washington

-Shook Hands With President. Washington, Dec. 6.—One hundred Democrats from Texas, here in an ef-fort to secure the next democratic national convention for Dallas shook hands today with President Wilson and told him they wanted him for another term in the White House. Mayor Lindsley of Dallas and Cato Sells, democratic national committee-man from Texas, were spokesmen for

the delegation.

Mayor Lindsley told the president that Texas was for him in 1916.

"Texas is bedrock," was the president's reply.

Governor Fitzgerald of Texas will call on the president tomorrow to dis-

cuss the Mexican situation.
